

Adjustable Shelves

Adjustable Bullet Feet

STANDARD FEATURES

DESIGN

- Cabinet design is well-engineered to meet functionality, and to fulfill operational aspects and user expectations.
- Efficient refrigeration system to provide user colder products temperature with lower operational cos.

REFRIGERATION SYSTEM

- Corrosion-proof hot gas condensate evaporation.
- More organized and less exposed wires.
- Compact refrigeration system with wheels for easy dragging and maintenance access.
- Large evaporator fan blades to give lower velocity and high-volume airflow.

CABINET CONSTRUCTION

- Two (2) exterior finish choices – Stainless steel and black coated galvanized iron.
- Side, top and front double glass for great product visibility.
- Glass shelves supports product visibility.
- Openable front glass with hinge mechanism for easy cleaning.
- Self-closing glass door at the back.
- Glass with panorama borders for better design integration.
- Cabinet base structure is foamed-in-place using a high density polyurethane insulation.
- Heavy duty and welded structure prior coating for corrosion protection.

SHELVING

- Three (3) adjustable shelves with plenty of space.
- Shelf support brackets made of aluminum; shelves are adjustable free of increments

COLORS

- Available in two colors, black & stainless steel.
- If you want to get different colors, please contact our sales representative.

LIGHTING

- Integrated magnetic LED lights – 4 hidden lights.

MODEL FEATURES

- Two (2) colors / finishes: Stainless steel and black.
- Ambient version is available.
- Effortless usage for staff.
- Adjustable bullet feet with range of 50mm.
- Adjustable shelves free of increments.
- Interior and refrigeration system are isolated with insulated base.
- Stable temperature levels to realize products' needs.

SPECIAL FEATURES

- LED lights are used which is long lasting and energy-efficient.
- Optimized honeycomb is used to get better air circulation through the cabinet.
- A double-glazed glass system to reduce heat transfer from outer atmosphere to products inside the cabinet.

ELECTRICAL

- Unit is completely pre-wired at factory and ready to connect to a 240/50-60/1 phase, 13 amp dedicated outlet.

WARRANTY

Two years warranty on all parts
